

Veda Dahabeyas Descriptions, Rates Inclusions, payment and Cancelation terms

Descriptions for the Veda Dahabiyas

Our four Dahabeyas are licensed by both the Ministry of Tourism and the Ministry of Transport, and hold fire safety certification from Civil Defense.

Veda One: The Renovated Gem (Flagship Balance) Veda One strikes a perfect balance between proven performance and modern luxury. Recently renovated in August 2023, this 50-meter vessel accommodates up to 20 guests in 10 cabins, including four suites with private outdoor terraces. It features two decks with multiple social spaces: an indoor restaurant and lounge bar on the main deck, an air-conditioned outdoor restaurant, and a bar on the first sundeck. Guests can relax in solitude on the dedicated second sundeck. Powered by a robust 13 KW solar array and a large battery bank, Veda One offers an eco-conscious and serene cruising experience with minimal generator use.

Veda Two: The Intimate Classic As the seasoned and cozy member of the fleet, Veda Two offers a classic Dahabiya experience. With a single, spacious deck, it fosters a warm and social atmosphere for up to 20 guests in its 10 cabins, which include two suites with balconies. Its facilities are concentrated on the open deck, featuring an outdoor restaurant, lounge, and sunbathing area, perfect for guests who wish to be immersed in the Nile's environment. Updated in September 2021 and supported by a 10 KW solar system, Veda Two combines timeless charm with reliable, modern amenities.

Veda Three: The Exclusive Boutique Ideal for small groups and private charters, Veda Three provides an exceptionally exclusive and intimate setting. With a capacity for just 10 guests across 5 cabins individually controlled air conditioned, this 18-meter Dahabiya ensures personalized service and privacy. Its single-deck layout includes an outdoor restaurant and lounge, creating a close-knit ambiance. Despite its smaller size, it is equipped with the same advanced water purification as the larger vessels and was last renovated in September 2024, making it a perfectly appointed "boutique hotel on the water."

Veda Four: The State-of-the-Art Flagship As the newest and most advanced vessel in the fleet (launched February 2020), Veda Four represents the pinnacle of luxury and sustainability. It is the largest Dahabiya at 55 meters, accommodating up to 28 guests in 14 spacious cabins, including four suites with private terraces. It features two decks with extensive facilities, including indoor and air-conditioned outdoor restaurants, multiple bars, and a dedicated relaxing sundeck. With its powerful 20 KW solar array and a recent August 2024 dry dock inspection, Veda Four offers the latest in eco-technology and contemporary comfort for the discerning traveler.

Consolidated Summary

The Veda fleet offers a range of elegantly appointed Dahabiyas to suit different group sizes and preferences:

- **For Large Groups & Top-Tier Luxury:** **Veda Four** (newest, 28 pax) and **Veda One** (recently renovated, 20 pax) offer two-deck layouts, suite accommodations with terraces, and the most extensive facilities.
- **For a Cozy, Classic Feel:** **Veda Two** provides a single-deck, social atmosphere for 20 passengers.
- **For Ultimate Privacy & Exclusivity:** **Veda Three** is a boutique option perfect for up to 10 guests.

All vessels feature 24-hour reception, fully equipped kitchens serving continental cuisine, high-speed internet, and are powered by advanced hybrid solar-energy systems for a quiet and environmentally responsible journey.
